## PREAMBLE

Now comes grace abounding in charity from His Majesty our Creator through and in His Son, The Word, that all men of sinful will shall obtain mercy in their carnal conduct of fornication and adultery. But unto the clay alone of men external moves His reprieve; so that He demonstrates the will of His forbearance not to execute His chastisement upon the loins of fornicators and adulterers who readily sin against their own bodies by the force of their lust, ~~inoculating~~ infecting themselves with every manner of sexually transmitted diseases.

Nevertheless, while He presents the love of His restraint through the withholding of His hand to implement recompense upon the genital regions of clay affections of all men external, He forthrightly said, "... they shall give account therefore in the day of judgment."

"... But where sin abounded, grace did much more abound." For all persons every man riding upon the King's grace, willing to keep themselves from a sexually transmitted disease, I present "Dermawear..." comprised of a receptacle rim and loop defense strands consisting of modified men's briefs and/or underwear.
